a message from **JEFF SPEAKMAN**

Hi everyone... it certainly was a difficult year for all of us in 2020 and the remanence of that hangs on in 2021. As we have shared with each other our longing and need to physically be together, we know that very soon we will have this behind us and things will return as we left them. So, we stay in contact with all from around the world and look forward to the July 2022 Vegas Event for our amazing reunion. Just remain focused on how fortunate we are to have one another in this life and that we are together and stronger than ever in our resolve to have love and friendship lead our way.

a message from **ANTO PARSEGHIAN**

Jeff Speakman's Kenpo 5.0 is proud to announce **JEFF SPEAKMAN'S WORLD MARTIAL ART EVENT 2021**, our 26th Anniversary. The event will host our **5.0 Fighter Virtual Championship** and our **Virtual Training Camp 2021!** This event gives all of us the opportunity to get together virtually even through the pandemic. Please look through the information closely for the details and exciting updates to this event!

The competition portion will be conducted virtually with online video submissions. This year we have added Self-Defense divisions back into the mix. We will have the following competitions available: Kenpo 5.0 Forms, Creative Open Forms, Creative Open Weapons, and Self-Defense.

In addition to the other new things mentioned for 2021, we are adding an award category for the winner/s of most point accumulated overall. The summation of winners points of all competition categories will determine the overall champion/s and a special prize will be awarded to them. 5 points for 1st, 3 points for 2nd, and 1 point for 3rd.

The seminars will be held virtually through zoom. All seminars will also be recorded and available for participants to view for up to two weeks after the event. We will host six seminars in total, three of which will be held on July 24th and three on July 25th.

Please look through the information in this package closely for the details and exciting updates to this event. I have included the schedule of events, a registration form, and a competition breakdown.
