**FOREVER
GRATEFUL**

JULY 7-10, 2022 LAS VEGAS, NV - USA

OUR TIME TO PARTICIPATE IN MARTIAL ARTS HISTORY

a message from **JEFF SPEAKMAN**

We live in this world we built because we believe in each other. When you embrace change you can create the future, and that is exactly what we have done. Our Vegas Event in July of 2022 will be a moment in time for us all to be proud of, and to celebrate our collective success in not only the fulfillment of the mandate from Mr. Parker, but the creation of our 5.0 family and all that entails. Over time we have created the most effective street defense system available anywhere. Our drive for sustained excellence has brought us to this point never seen before, and we should take this time to recognize this extraordinary accomplishment. Although my desire has never been to create a system that is separate from Kenpo Karate, through our natural evolution coupled with the unwillingness of so many to embrace change to build a future for Kenpo we stand apart, and as the 5th evolution of American Kenpo we have built a bridge to the future. With that being said we will continue to build our system and create our future for our growth and to continue to set an example for others to contribute if they wish. We welcome and respect all who deserve it, but we only look back to make sure we never forget the shoulders of the giants we have stood on that has allowed us to see farther down the road. The ability to see things from that vantage point has given us the vision to create and the drive to follow through. I will never be able to put into words the meaningfulness and sense of accomplishment you have all given me as a person, and I will remain steadfast in my commitment to remain in the loving arms of your friendship. I am humbled by your commitment, driven by your passion, and remain dedicated to our 5.0 family with whatever life I have left. Jeff Speakman

Jeff Speakman's Kenpo 5.0 is proud to announce JEFF SPEAKMAN'S WORLD MARTIAL ARTS EVENT 2022. The event will not only host the Advanced Adult Testing, 5.0 Fighter World Cup Championships, & Training Camp 2022; but this year our Master will be testing for his 10th degree black belt! As you can imagine, this will be the most important event for all of us in Kenpo 5.0! This event gives all of us the opportunity to come together in one venue to test, compete and to train. Please look through the information closely for the details and exciting updates to this event!

2019's event was a great success due to the environment, which was created by all of our practitioners, their families, instructors, and the amazing venue we were utilizing! 2020 & 2021 events were hosted virtually due to the pandemic.
