Frequently Asked Questions about the European Event

How do I register for the event?

Please register online at www.jeffspeakman.com/events if you need assistance please contact your studio instructor or administrator.

What if my rank and/or weight changes before the event?

For any change that will affect tournament divisions and/or seminar group, please discuss with your studio instructor. He/she will get the event administrator the correct information in a timely and organized manner.

Do spectators have to pay?

No. Everyone can watch the test on Thursday and the tournament on Friday free of charge.

What if I miss the event due to an emergency, do I get my money back?

Full refunds will be given until October 22, 2023. After that, there will only be 50% refunds.

If I/my child decides not to participate in any tournament divisions, will we receive a refund?

No. After June 5, 2023 we cannot make any changes to the tournament divisions. If students drop out of divisions at check-in or the day of the tournament, we will not be able to add them back in. We also cannot make division swaps. So be sure you are certain what you'd like to compete in when signing up.

What does the 'MMA Training' mean on the registration?

We would like to know if the participant has any mixed martial arts training outside of Kenpo 5.0. If they attend or attended any other studios or had any kind of Brazilian Jiu-Jitsu, Muay Thai, boxing, kickboxing training. We also need to know if the participant has had any amateur/professional fights; so they can be placed in the correct division according to their experience.
